INTRODUCTION TO WAREMAT

India's Leading Expo on **Warehousing, Material Handling, Logistics, Storage & Transportation**. WAREMAT has established itself as one of India's most impactful and business-driven **B2B exhibitions** for the warehousing, intralogistics, material handling, logistics, and supply chain sectors. Successfully completed 6 powerful editions, WAREMAT continues to serve as a **strategic marketplace** where manufacturers, solution providers, distributors, logistics players and industry professionals connect, collaborate, and create business opportunities.

With a strong legacy & remarkable industry acceptance, WAREMAT is now gearing up for:

7th Edition

CHENNAI

Returning to one of South India's strongest industrial & manufacturing hubs.

8th Edition

HYDERABAD

Growing market with exponential investments in warehousing, 3PL, retail, e-commerce, automation, and cold chain.

WAREMAT has been a platform where innovation meets opportunity – delivering consistently strong ROI to exhibitors and valuable solutions to business visitors.

INTRODUCING A POWERFUL COMBINED FORMAT

This Edition's Uniqueness

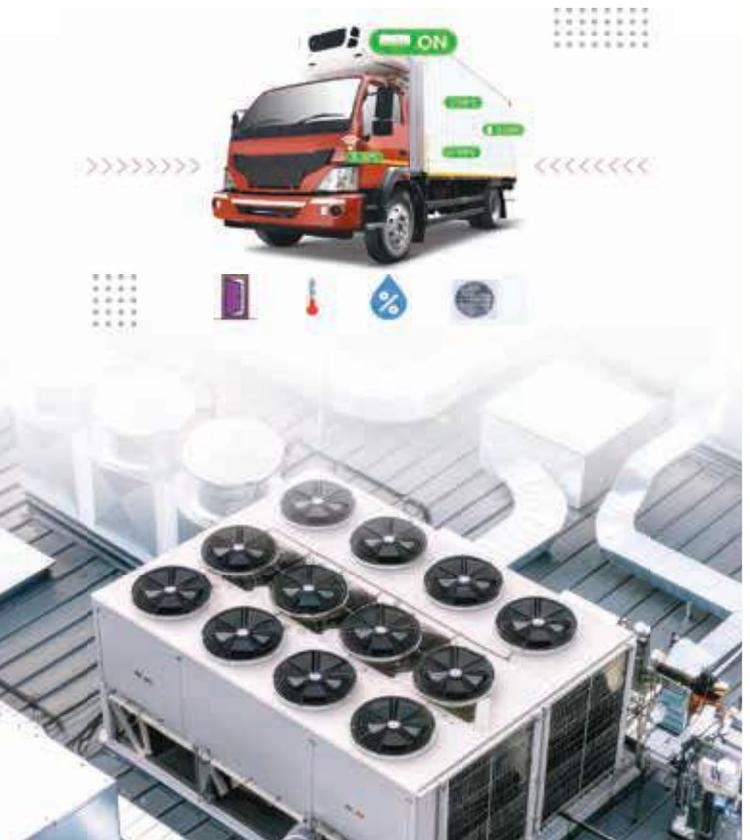

This year, WAREMAT brings a new dimension by integrating two high-demand sectors under one roof:

- Material Handling Automation
- Robotics & Autonomous Systems
- Storage Automation Systems
- Warehouse Management
- Digital Systems
- Identification & Tracking Technologies
- Loading / Unloading Automation
- Industrial Vehicles & Smart Mobility
- Safety & Security Automation
- Energy & Infrastructure Automation
- Packaging & End-of-Line Automation

- Cold storage infrastructure
- Refrigeration technologies
- Reefer transport
- Insulated panels & Chilling systems
- Cold chain automation & monitoring

The combination of **WAREMAT + WS-AUTX + COSLOG** makes it India's most comprehensive warehousing & logistics technology event.

Exhibitor Profile

WAREMAT is the preferred platform for solution providers across the entire warehousing and intralogistics spectrum.

Warehouse Solutions

Material Handling Equipment (MHE)

Automation & Robotics Solutions

Packaging Machinery and Consumables

Storage & Racking Systems

Cold Chain, Cold Storage and Refrigeration Solutions

Industrial Flooring, Lighting, Safety & Security Systems

Warehouse Infrastructure Solutions

IoT, Sensors, Data Analytics and Warehouse Management Software (WMS)

Transportation, 3PL / 4PL Logistics, Fleet Solutions

Conveyors, Sortation & AS/RS Systems

Batteries, Power Solutions and Energy Management

Industrial Tools, Equipment and Service Providers

EXHIBITORS REPRESENT BOTH LEADING NATIONAL AND GLOBAL BRANDS, EMERGING INNOVATORS, AND OEM MANUFACTURERS.

VISITOR Profile

WAREMAT attracts high-quality industry professionals, decision-makers, and buyers from multiple sectors

WHO ATTENDS?

- Warehouse Operators
- 3PL, 4PL, 5PL & Logistics Firms
- Retails & E-Commerce
- Procurement Heads
- Manufacturers & MSME's
- Infra Consultants
- Cold Chain & Refrigerated Logistics
- Cold Storage Owners
- Government Bodies & Planners
- Architects & Consultants
- Builders / Contractors
- Agro Industries
- Aquaculture Industry
- Automobiles & Automotive Component Sector
- Construction Companies
- Distribution Equipments
- Service Companies Consultants
- Freight & Cargo Companies
- Importers & Exporters
- Ports, Railways & Airports
- Supply Chain Companies
- Shipping Lines
- Logistics Companies
- Road Transport Companies
- Third Party Companies
- Structural Engineers
- FMCG & PSU's
- Paper & Printing Industry
- Packaging Industry
- Paints, Oils & Lubricants
- Transport & Fleet Management
- Courier & Cargo Companies
- Brokers & Landowners
- Pharmaceuticals
- Petrochemicals
- Free Zones
- Food Parks
- Meat & Sea food Industry
- Frozen food industry
- Dairy & Icecream

Visitors attend WAREMAT to source solutions, modernize warehouses, automate processes, reduce costs, and improve productivity.

CHENNAI & HYDERABAD MARKET OVERVIEW

WHY CHENNAI?

INDUSTRIAL & LOGISTICS POWERHOUSE

Chennai remains a dominant industrial corridor with massive presence of:

- » Automobile & Auto Components Cluster
- » Electronics Manufacturing
- » Expanding 3PL & Distribution Hubs
- » FMCG, Food Processing & Pharma
- » Strong export-import trade via Chennai & Ennore Ports

The demand for smart warehousing, MHE, cold chain, and automation is at an all-time high in CHENNAI.

WHY HYDERABAD?

INDIA'S FASTEST-GROWING WAREHOUSING MARKET

Hyderabad has rapidly evolved into a major logistics gateway due to:

- » Massive investments in e-commerce & 3PL
- » Growth of pharma, IT, electronics
- » Strategic connectivity via ORR & multimodal infrastructure
- » Increasing demand for automated warehouses, cold storage, & robotic systems

Hyderabad's warehousing absorption is among the highest in India, making it ideal for WAREMAT's expansion

WAREMAT - ENSURES STRONG FOOTFALL THROUGH
